SUBJECT : **Amendments on the Bid Documents for the  
Manila North Harbor Modernization  
Project (MNHMP)**

---

Dear **Mr. Goco**:

In response to your letter dated 01 June 2006 re: the above subject, we are pleased to inform you that the PPA Board, in its 319<sup>th</sup> Meeting held on 30 May 2006, approved the modernization of the Manila North Harbor under a single terminal operator scheme with the amendments earlier discussed with your Mr. Tom Quintos. Likewise, PPA management has agreed to pay your company the additional fee of P153,000.00 to undertake the necessary amendments on the final bid documents to conform with the requirements of a single terminal operator.

In this regard, we urge you to start working on the revisions of the bid documents. Payment of the said fee will be made upon submission of the bill and the revised final bid documents.

Thank you for your usual cooperation and support.

Very truly yours,

**OSCAR M. SEVILLA**
